

IQDAM SHIDQI

Surabaya, Indonesia | P: +62 85195444522 |iqdamshidqiali@gmail.com | linked.in/iqdam-shidqi

I am an active Data Science student at Sepuluh Nopember Institute of Technology with a strong passion for data science, data analysis, machine learning, and IT solutions. My expertise in data analysis is supported by experience as a community service assistant and participant in data science competitions, focusing on data visualization, complex formula application, and machine learning techniques. Additionally, my involvement in SCC and DSI has sharpened my skills in teamwork, event organization, financial oversight, and managing external relations. With my passion for data, I am eager to unlock my potential in Data Science, where I can further develop my technical expertise and provide valuable insights.

EDUCATION

INSTITUT TEKNOLOGI SEPULUH NOPEMBER — Surabaya, Indonesia
Data Science Student — Expected May 2027
Major in Computational Science and Data Science; Minor in Business and Management
Cumulative IP: 3.49/4.00
Relevant Areas: Data Analysis, Data Science, Statistics.

CAMPUS PROJECTS

DATA STRUCTURE AND ALGORITHM – ITS — July 2025 - Present
Teaching Assistant
- Developed syllabi, lecture materials, and other relevant teaching resources for open-source programming.
- Assisted students in practical sessions, ensuring their proper understanding and application of open-source programming concepts.

OPEN SOURCE PROGRAMMING – ITS — Feb – Jun 2025
Teaching Assistant
- Developed syllabi, lecture materials, and other relevant teaching resources for Data Structure.
- Assisted students in practical sessions, ensuring their proper understanding and application of Data Structure and Algorithm concepts.

STATISTICS COMPUTER COURSE (SCC) – ITS — Mar 2025 - Present
Curriculum Staff
- Being Project Officer in SCC Bootcamp.
- Created syllabi and other relevant teaching materials for Data Mining and Machine Learning.
- Mentored boot camp participants, ensuring they properly understood and applied data mining concepts..

ACTIVITIES

DATA SCIENCE INDONESIA — Jakarta, Indonesia
Volunteer General Affairs Support — Nov 2024 – Present
- Handled administrative planning, including preparing Minutes of Meeting (MoM), Memorandum of Understanding (MoU), and Letter of Agreement (LoA).
- Assisted in ensuring compliance with legal documentation and improving operational efficiency.

SCC BOOTCAMP – ITS — May 2025 - Present
Project Officer
- Designed and developed the end-to-end program curriculum for a Data Science Bootcamp.
- Delivered a keynote session as a speaker on the practical application of the CRISP-DM framework for data mining projects.

DATA ANALYSIS COMPETITION – ITS — Maret 2025 - Present
Executive Finance
- Ensured transparency and financial reporting for informed decision-making processes.
- Developed a budget plan with an estimated income of approximately IDR 150,000,000++

ADDITIONAL INFORMATION

Technical Skills: Python, R, C++, JavaScript, SQL, Matplotlib, Tableau, Seaborn, ETL, ELT, Sklearn
Certifications and Training: Python for Data Science (DQLab), Data Structures and Algorithms in Python (DataCamp)
Awards: 1st Satria Data (BELMAWA), 1st Place Infographics (4C UB), Outstanding Coach (AFL)
Interests: Data Science, Data Analytics, Machine Learning, Business, SDGs, Economics, Renewable Energy
